## UNIVERSITY OF NEW MEXICO, ALBUQUERQUE, NM

*Working towards Bachelor of Science in Physics*

2013 -2015

- Relevant Course Work: Computational Physics in MATLAB, Introduction to C and object oriented programming

## EXPERIENCE

### STREAMLINE CNM-PROJECT

Web Development Team Member,

The project was to design and build a tool to help the administration at Deep Dive Coding Bootcamp organize and track data about their past, current, and prospective students. I helped design the database, and program the front and back end.
